

# Slack Navigation Cheat Sheet

## TASK FAMILY: channel-management

To create a new channel: Click the + button next to Channels in the sidebar, then select Create a channel. Enter a name and description.

## TASK FAMILY: messaging

To send a direct message: Click the + icon next to Direct Messages in the sidebar, search for the person, and click Go.

## TASK FAMILY: search

To search messages: Press Ctrl+K or Cmd+K to open quick search. Use filters like from:@user or in:#channel to narrow results.
